

Disclosure and Resolution of Personal Conflicts of Interest

In accordance with CME/CPD accreditation criteria and standards for commercial support to ensure balance, independence, objectivity, and scientific rigor in CME/CPD activities, those in control of the educational content must disclose potential or actual conflicts of interest, whether due to a financial or other relationship. Disclosure information is evaluated and conflicts of interest resolved. Disclosure is made to participants prior to the activity. Participants will be asked in the evaluation to assess the objectivity and independence of the event. Off-label or investigational use of a therapeutic product is also disclosed.
